A successful 1st birthday

Last Thursday April 26th, Globber.tv celebrated its first anniversary in a European inspired theme where their Europe 2012 Trailer was unveiled. A train pass for France, a trip to Niagara Falls, a backpack and 100 gift bags were handed to those present, thanks to our partners Rail Europe, Viamérique, LOJIO, La Cordée, Petit Futé, Hostelling International and Yelp. Thank you to everyone who participated directly or indirectly to the success of the evening!
